

The logo for 'avenir santé' is positioned in the top left corner. It features the word 'avenir' in a bold, orange, sans-serif font, with 'santé' in a blue, sans-serif font below it. A small blue smiley face icon is to the right of 'santé'. The background of the logo is a textured, greyish-blue surface.

# AVENUE

## Dissemination seminar

-

## Involving volunteers in road safety

A smaller version of the 'avenir santé' logo is located at the bottom of the vertical banner. It features the word 'avenir' in orange and 'santé' in blue, with a smiley face icon to the right.

September 10, 2013

## Reminder

The project consortium is mainly composed of NGOs with a large **number of volunteers**. Those volunteers will be involved in the AVENUE project, and will be **trained to participate and disseminate**.

**Avenir Santé** is a dynamic French non-profit organization which prevents, among young people, some of the most health risky behaviors, in a very global and positive approach. We work on four main topics: addictions (alcohol, cannabis, tobacco ...), road accidents, STDs-Aids and hearing risks.

As our activity is based on peer education, each year Avenir Santé recruits a branch of volunteers to help the implementation of the field actions.
